THE MUSIC OF CHRISTOPHER ALEXANDER

About the Work

From the renowned international comedy troupe Monty Python, this song is undoubtedly one of their most famous. A silly song? Indeed yes, but that is what Monty Python is all about. Your men's chorus will have a fun time performing this arrangement and your audiences will laugh and love it too. Give one of your performers a chance on the solo to convey the high hopes and grandeur (albeit questionable at times) to fulfill his lifelong dream of being...a lumberjack!
