THE MUSIC OF CHRISTOPHER ALEXANDER

About the Work

Did you know that the famous tune *Have Yourself a Merry Little Christmas* has alternate lyrics? After the success of the original, one of its writers Hugh Martin could not find success in his other endeavors. With economic woes and falling notoriety, Hugh wrote new lyrics for the tune to encapsulate his feelings of his once-great success, but more importantly for the reason he wrote that song in the first place. This arrangement incorporates those new lyrics with the original chorus, and it will surely warm your heart upon hearing these new words paired with the familiar melody.

About the Arranger

Mr. Christopher Alexander is an award-winning composer and arranger from St. Joseph, Missouri. He received his Bachelor of Science in Vocal Music Education degree from Missouri Western State University in 2009. A self-taught pianist, his compositions and arrangements range from instrumental works to local solo and choral literature. Mr. Alexander has been commissioned numerous times by singing groups and church choirs within the northwest Missouri and northeast Kansas regions. He is also active in musical theatre productions as a music director and pianist. His works have been published with GIA Music Publications and Hal Leonard.

In 2016, he was awarded the St. Joseph Allied Arts Council Mayor's Award for Artist of the Year. In 2022, he was inducted into the New Generation Singers Hall of Fame.
