THE MUSIC OF CHRISTOPHER ALEXANDER

About the Work

Did you know that the famous tune *Have Yourself a Merry Little Christmas* has alternate lyrics? After the success of the original, one of its writers Hugh Martin could not find success in his other endeavors. With economic woes and falling notoriety, Hugh wrote new lyrics for the tune to encapsulate his feelings of his once-great success, but more importantly for the reason he wrote that song in the first place. This arrangement incorporates those new lyrics with the original chorus, and it will surely warm your heart upon hearing these new words paired with the familiar melody.
