THE MUSIC OF CHRISTOPHER ALEXANDER

About the Work

Girl groups were numerous and successful during the 1990's, with perhaps the most notorious of these groups being Destiny's Child. With its empowering lyrics and strong yet accessible melody, "Survivor" has become a power anthem for women all around the world. This arrangement heightens the original song with strong harmonic voice leading, unison choir singing, and even a solo opportunity for one of your singers to step into the spotlight and show their skills to your concert audience.
