THE MUSIC OF CHRISTOPHER ALEXANDER

About the Work

This U.S. Billboard Top Ten hit by Huey Lewis & the News has become one of the band's most popular songs due to its multiple replays in the early days of MTV. This arrangement remains in the key of the original tune, allowing your singers to perform just like Huey and his band. Feature your tenor soloist to lead the charge with a supportive choir receiving spotlight opportunities as well. Add the instrumental parts to completely rock out at your next pops concert.
